

Living and working in Europe

Service points in Austria

enic-naric

You have come **to Austria with a foreign university degree** and would like to know

- ▶ the academic value of your degree
- ▶ what your chances on the Austrian job market look like

You have **completed your studies in Austria and intend to go abroad**, so you would like to

- ▶ make sure that your diploma will be recognized in your country of destination
- ▶ know if further studies at a specific foreign university will be recognized in Austria

The **Austrian National Academic Recognition Information Centre - ENIC NARIC AUSTRIA** - can help you by its broad experience in cross-border comparison of university degrees and its worldwide networks or by connecting you to a relevant contact point abroad. With an assessment provided by ENIC-NARIC AUSTRIA your chances on the job market will increase considerably.

You are looking for employees?

With EURES, the AMS (Public Employment Service Austria) supports your search and offers useful information regarding the European job market.

- ▶ The EURES - portal will give you an overview of more than 100,000 registered applicants in the EEA and Switzerland.
- ▶ Your opportunities through the EURES-portal are:
 - Receiving applications from applicants from all over Europe by e-mail.
 - Reviewing, saving and organizing applicants' CVs
 - Publishing your vacancy throughout Europe.

You are mobile regarding your career and you consider working in an EEA member country or Switzerland?

With EURES, the AMS assists you with your Europe-wide job search.

- ▶ With your "My EURES" - Account and the "CV - Online" tool you can complete your European job application professionally and easily.
- ▶ You can review more than 2.4 million job advertisements daily.
- ▶ Vacant positions in other EEA member countries are also viewable in the AMS eJob - Room (www.ams.at)

guidance in Austria

You are an educational or career guidance counsellor and

- ▶ you have a client asking questions regarding further education and working in Europe?
- ▶ you would like to receive further information about how guidance is carried out in a European context?

Euroguidance Austria connects Austrian educational and career guidance counsellors with Europe.

Euroguidance Austria offers the following services to counsellors, school counsellors, information centres and multipliers working in the guidance field:

- ▶ Events (for example Euroguidance expert conferences, European seminars)
- ▶ Products that can be used in guidance (posters, flyers, information on the Austrian educational system)
- ▶ Advice on funding opportunities for European projects and further education
- ▶ Assistance with your clients' questions concerning Europe

europass

You are **looking for a (new) job or (further) educational programme** and would like to

- ▶ **Present your skills and competences in a clear and comprehensible way**
- ▶ **Make your personal strengths and learning progress transparent**

You are looking for **qualified staff** or you want to send employees abroad for further **training or an internship** and you would like to

- ▶ Find the **most qualified individuals** through structured application documents
- ▶ Get detailed information about the **acquired new skills** of your personnel

Europass is a free service of the European Union for all European citizens and consists of five documents that assist you in displaying the skills you gained at school, university or during studying or working abroad in a structured and transparent way.

europaDirect

You are interested in EU topics and would like to receive information about the European Union? EuropeDirect is the European Commission's **information network for all EU citizens**. Currently there are more than 500 EuropeDirect info points in the EU-member states, 11 of which are situated in Austria. We are offering information about the EU in your area!

The EuropeDirect centres are taking your concerns and wishes seriously. We would like to work with you and inform you about all issues related to the EU. We are offering a great selection of free brochures. The latest information is also available on the common homepage of the Austrian EuropeDirect information network:

www.europainfo.at
www.facebook.com/europainformation

solvit

SOLVIT is a **free of charge helpdesk network** that assists you in solving any **challenges and problems, which may occur on the single European market**, effectively and without the need to **recourse to judicial proceedings**. SOLVIT centres can be found in every EU member country as well as in Iceland, Liechtenstein and Norway. They are part of the national administration of each country.

In what instances can SOLVIT help?

- ▶ with cross-border problems,
- ▶ which are caused by flawed practice of EU law,
- ▶ caused by national, regional or local administration

Enquiries for SOLVIT are focused on these topics: Employees rights, social security, recognition of professional qualifications, access to (further) education, access to markets, procurement of public contracts, free movement of capital and payments, taxes. SOLVIT cannot be of any help if legal procedures are pending.

In Austria, SOLVIT operates within the **Federal Ministry of Science, Research and Economy**.
